### CCFI Closes Out 2022 – 2023 Board Year

Last month, we wrapped up our board year with our last meeting of the fiscal year. During our time together, we honored outgoing members, Josh Edge and Christine Seapy (pictured right), and also recognized Leslie Christopher (pictured left) for her time spent as board president. We are grateful for the time and dedication each board member shares with our organization. *Thank you all for helping support our mission!*

### **Boys & Girls Club of Norman Wraps Up Camp BGCN**

Camp BGCN has been FULL of fun and new experiences! For the past 5 weeks, Club members have enjoyed multiple projects with Pinot's Palette, field trips to various hot spots around the OKC metro, on-site STEM activities, arts & crafts, weekly trips to the swimming pool and so much more. They even got to experience a color party and topped off camp with a glow party in the gym. To say our kids have had the best summer ever is an understatement!

Thank you to all of our wonderful supporters for making Camp BGCN a reality and for making lasting childhood memories for our Club kids. It was definitely a summer to remember.

Baby2Baby is a California based mega diaper bank and nonprofit providing essential items to children in need across the country. These resources will tremendously help end diaper need in our community and we look forward to watching this partnership grow.
